Leeds United

My husband Tony had to go on a two day business course to Leeds and told me to pack some sexy gear as I was going with him.

We checked into the hotel, changed and went and had a few drinks.

I noticed the barman staring at me, so Tony asked him what he wanted.

He told him he recognised me from Escort and loved my photos, so Tony asked him to join us for a drink.

His name was Alex and he couldn't take his eyes off my stocking-clad legs.

I kept flashing him my stocking tops just to tease him and eventually he mentioned he got off at 7pm.

Tony invited him up to

We broke the ice by showing him a few more pictures of me naked, and I could tell by the bulge in his trousers that he liked what he saw.

Tony told Alex that my greatest fantasy was to be fucked by two men and soon I was holding them both by the cock.

I sucked and wanked them off at the same time, turning myself on like mad as I pleased two rock hard pricks.

The guys then took turns licking my cunt while I played with my tits and I felt like a total slut.

After a while, Alex pulled me on top of him and I sunk all the way down

"I SUCKED THEM OFF AT THE SAME TIME, TURNING MYSELF ON LIKE MAD."

our room and Alex eagerly agreed.

I prepared for the big event by fucking myself with an enormous dildo, so by the time he knocked on the door I was well and truly bubbling.

his prick.

Tony stood in front of me as I fucked Alex's cock, so I grabbed hold of his cock and pulled it into my mouth.

I fucked and sucked the guys like this for several minutes, then told them to swap over.

I love tasting my own juices on Tony, but tasting them on another man's cock while Tony fucked me from behind was something else.

I pulled Alex's foreskin back and licked and sucked around his juicy 9in cock until he was ready to explode.

Tony was also close, so I told him to join Alex up front as I love to be spunked on.

The guys were soon wanking over me and all at once they squirted hot, sticky ropes all over my tits and face.

It was a fantasy

come true, and I took both cocks in my mouth at the same time and sucked them off, while I frantically fucked myself with my favourite giant dildo.

We're still in contact with

Alex, and he tells us his new girlfriend is very keen to meet us both, so hopefully I'll have something else to write and tell you about soon.

ASHLEIGH

Ever tried eating a doughnut without licking your lips? It's pretty well impossible, isn't it? Exactly like, in fact, looking at these pix of the delicious Ashleigh McKenzie! When it comes to sweet-tasting treats that feature a hole (or two), we reckon the doughnuts come a poor second to Ashleigh, and you won't have to worry about your cholesterol levels shooting up either!

Facial Awareness!

They say that jizz is good for the complexion, don't they? Well if it's true the girls in this flick won't need to fork out on any Oil of Ulay or whatever it calls itself these days in a hurry. Scouser Carmel Cox is first up, and would have us believe the bloke who's cock she's slathering on is her brother-in-law. Well, maybe, but either way the noshing she gives him before he bends her over, fucks her and splashes off all over her mush does suggest a certain familiarity! Kiki's bathtime boning's a particular highlight, as is Julia's splashed-on specs. Available from your local sex shop.

CHOCO-HO LICKS

Unlike just about everything else on the planet, MILFS seem to grow younger from one year to the next – the quim-tet on display in this flick from Private don't really look old enough to be the mothers of anyone – let alone of anyone who might have a mate who fancies fucking them. Still, the black studs lined up for them certainly fancy fucking them, and I don't really blame them! Ania is the pick of the crop, treating her ebony lover to a drenching of her love juice as she squirts all over his prick, but none of the Euro-tarts on display are any less horny – and they certainly know how to handle a Big Black Cock whenever the chance arises!

Dear Julia

I loved the pictures of Ashleigh in 37.05 – how lovely to see a horny young thing who not only knows a bit about proper music but also, if her book collection is anything to go by, knows her history as well! If she ever fancies getting together to discuss the Battle of Britain – or do anything else, for that matter – please let her know my details!
Iain, Guildford.

Julia says:

I'm not sure they were her books, but I'll pass on your kind offer anyway!

Battle of smitten!

DEAR JULIA

Dear Julia

The picture of Nikki and Julie on page 35 of your latest issue took me back to the horniest experience of my life, when I got to shag two girls at once. It was at the end of a boozy night out and my mate, who should have been doing one of the girls, passed out, leaving me with two horny slappers to satisfy. At one point they got on top of each other like that, giving me access to whichever pussy I wanted to fuck first – something which had kept my wank bank in credit for many years. Thankfully I was sober enough to make the most of it, and will never ever forget the fantastic sight – and sensation! – as I plunged my aching dick into one sopping hole and then the other until I splashed off all over the arse of the top girl. I can't for the life of me remember their names, but I'll never forget the fucking we had that night!
Steve, Stoke Newington.

Julia says:

Bet your mate was kicking himself!

Dear Julia

I worked in the Merchant Navy for 12 years when I was younger, and what we wouldn't have given to have a crew member like Zara on board! I'd probably still be doing it if we had! Thankfully what we did have was plenty of copies of Escort, which went some way to help relieve the frustration of weeks spent at sea!
Mike, Plymouth.

Navy lark!

OUTSIDE LEG-OVER!

You've got to take your hat off to the late, great Al Fresco for coming up with the idea of outdoor sex – and this flick

features four amateur flampers doing their bit to keep his memory alive. The scenes are POV, so you're right there in the action

as Bella, Ally, Jeanie and Micah suck and fuck their fellas dry. No frills outdoor fun that makes you feel glad winter's over! Available from your local sex shop.

REAL WIFE SEX

Debs gets in a quick pre-nuptial faking!

"I placed my hand around the shaft and pushed the foreskin back..."

I got married last year, but as the big day loomed I started to fantasize about having one last fling. I was starting to feel trapped, and as I was relatively sexually inexperienced and became terrified that I would never know another man's body. In the end I felt like I had no choice in the matter and I decided to fuck another man.

Getting ready for my big night I pulled out all the stops. I had bought a new bra, which pushed my tits up and out. I also had a matching G-string and suspenders. Over this I wore the skimpiest little black dress I could find. I felt confident and sexy; I wanted to be a temptress to the men in the club and to lure one of them into fucking me. This thought made my knickers wet before I'd even headed out of the door.

I spotted my man as soon as I entered the club. Although I am usually fairly shy I felt like I was another person on this night and just lost my inhibitions. He was working behind the bar and I just watched him move; pretty soon he noticed me. He managed to introduce himself as Peter in between serving drinks and kept directing winks at me whenever I caught his eye. I knew it was going to happen so when he came over and told me he had a ten minute break I played my ace.

All I could think about was having his cock inside me and soon I was moist between my legs. I could hardly stand the anticipation and although he not even touched me yet I felt I could shag him right there and then. It took all my willpower not to just pull my scanty knickers over to one side and let him slip into me right across the bar in full view of the thirsty crowd. I followed him down a maze of corridors and then through a dirty white door. I was shocked by the change in temperature and could see mist forming from my breath as he lead me down into the cellar.

As soon as we reached the bottom

of the stairs I reached up and grabbed behind his head, pulling him towards me. I kissed him long and hard, probing with my tongue in his mouth. As we kissed I grabbed his bum and felt his solid dick pressing against me. We kissed again passionately and he put his hand up my skirt. His hands roamed all over the top of my legs, feeling and enjoying the

sensation of my suspenders. He reached up between my legs and pushed a finger up inside my slippery cunt.

My breath was coming in short gasps now as he inserted another digit inside me, pushing them as far in as they could go. I reached down with my hand and undid his zipper. I reached inside and found his straining dick. I placed my hand around the shaft and pushed the foreskin back,

"I wrapped my legs around his waist, impaling myself on his massive cock."

leaving the head pointing towards me. He let out a sigh and pushed his fingers inside me again, harder and faster.

I wanked him off while he finger-fucked me but soon this was not enough for either of us. He pushed me back against a wall and I wrapped my legs around his waist, impaling myself on his massive cock. He slid straight in and it was all I could do to stop myself from just coming on the spot. He held me up with one hand and the other reached inside the top of my dress.

The chill of the cellar had caused my nipples to draw up and become erect. His fingers found my hardened point and twisted it, stopping just before the point of pain to create an exquisite sensation, which ran down the length of my body. I flung my head back and he kissed my neck, biting it softly with his upper lips and simultaneously cushioning it with his lower lips. He placed both hands on my arse now and lifted me up and down, with greater frequency. He had a very muscular upper body, presumably from lugging around crates of beer but this meant he was

able to lift my weight with little effort. The back of my dress got caught on a rough section of plaster and ripped adding to the sensation of abandonment. I felt wild and sexy and could almost believe I was no longer myself anyway.

Peter reached one hand still further around me and slid his finger towards my arsehole. I was so excited I felt ready to try anything and was surprised by the sensation of penetration.

cock, running my tongue right along the full length of it. I took as much of his prick in my mouth as I could, and almost gagged when it hit the back of my throat. I moved my mouth up and down his shaft sucking noisily as I worked. After a while I concentrated on wanking him off with one hand while cradling his warm balls with the other until he suddenly shot a great sticky wad into my open mouth. I quickly clamped my lips around his jerking pole and swallowed every last drop of his delicious come as it spilt out into my mouth.

I'm now happily married and that night is but a memory, though it's one I relive every now and then after my hubby leaves for work with a frantic finger-wank. Just the thought of that indiscretion leaves me trembling with lust and only a good hard frig can stave off my compulsion to do it again. I wonder how much longer I'll be able to hold out, though... 

The duel effect of being penetrated in both my holes was too much for me to bear. I could hold back no longer and reached a mind-blowing orgasm. Afterward I place my feet wobbly back on the floor and realised Peter still hadn't finished. I dropped to my knees in front of him and licked my juices up off his stiff

Lust Rewards

Two weeks ago I had the best sex of my life. It was at work and if my husband knew what I got up to he would kill me!

He has always fantasised about me having sex with another girl and little does he know I now have.

I work in an estate agent's office and we had a really good week selling lots of properties.

As everyone was leaving my

boss, who is 29 and called Julie, asked me to stay behind. She said I had the best sales record of all the staff and I should be rewarded. Thinking she meant financially I was shocked when she closed the door and said she was the bonus!

She came up behind me and kissed my neck. I froze as her hands reached around

02. SHARON

me and began to fondle my boobs. I felt so wet now as she pulled my top off and stroked and caressed my erect nipples.

She turned me round and we kissed, deeply and passionately. It was the first time I had ever kissed a woman and before I knew it her hand was thrusting into my hot wet pussy while I fingered her clit.

My fingers were dripping with her love juices as she led me to her desk.

She lay me down and proceeded to work her tongue into my hole. She licked me so hard and so expertly that I

came in a few minutes and my body trembled all over and I held onto her bobbing head tightly.

Now it was my turn to work on her. I felt nervous as I had no experience of making love to a woman, and especially not cunt-licking!

I kissed her hard nipples and slipped a finger into her tight wet pussy. As she started to writhe on the desk I slowly ran my tongue down the length of her body to her shiny wet pussy lips.

She tasted so nice and made such a noise I had to slip a finger into my own pussy while I plated her.

As we both came together I felt a warm sensation on my bum cheeks.

Turning round I saw that the 50-year-old cleaner has sneaked into the office and shot his hot spunk over my bum.

No-one said anything – we just got dressed and left with big smiles on our faces. When I got home my husband asked if I had enjoyed my day. I said yes, but if only he knew how much!

Sharon, Wiltshire.

Ah, what a glorious sight – a garden full of lovely daffodils! Where's William Wordsworth when you need him, eh? Look, we were going to send Kloe to a tropical island for this shoot but the accounts department spotted the Ed's expenses claim for a couple of lengthy lunches and put a stop to the whole thing – so we went for a tropical island backdrop instead. Still, you could probably have just as much fun with Kloe in rainy Britain as you could on the beaches of St Lucia or wherever, couldn't you – and you wouldn't have to worry about getting a sunburnt arse while you're about it.

April

We've always been big fans of Do It Yourself activities here at Escort, so when April asked if we'd like to get our tools out for her we were more than happy to oblige her. Apparently she loves nothing more than a really hard hammering, so we thought she'd be really chuffed to see our hammer, and when she added that she couldn't half use a good length, then out came the tape-measure. Hang on a sec – do you think she was talking about...? D'oh!

Doggy Style

I'd thought of going dogging with somebody else other than my boyfriend Nick, a bit of a kink if you like so he'd be left wondering what I was up to and then when I got home tell him how naughty I'd been!

So when one of our dogging friends Jay said they were going out I went with him! We got to one of the car parks and had a bit of a chat with a few couples plus a couple of guys. The couples plus one of the guys then went for a drive round to see if anything was happening at any other car parks, leaving just one guy 'Shane' so I decided I was going to have a play!

Shane had already got a hard-on and I hadn't even touched him yet! He started playing with my tits and was really tweaking and tugging at my nipples and I was getting really turned on.

Whilst he was touching me Nick rang Jay to see if I was alright (and if I was playing, lol!). Jay told him everything was all good and I couldn't talk as I was busy 'playing'! He even told him he'd take pictures of the play if Nick wanted! I knew Nick would be so horny knowing I was playing plus getting pictures, as well as me telling him all about it!

I was very turned-on just thinking about it and very wet, so as soon as Shane touched my pussy I gushed everywhere! I then had to feel Shane's cock to see how turned-on he was. It was throbbing so I knew he was more than ready for me. I decided I wanted to give his cock a good suck, so I did and kept pausing right at the end of his shaft which was driving him crazy so much I thought he was going to cum but he held it together and started putting his fingers inside my pussy which was driving me crazy - I just had to have that cock inside me!

Shane asked if I wanted him to fuck me, to which I said "Yes, right now!" so I stood

leaning against Jay's car whilst Shane put a rubber on and then he lifted my skirt up and took me from behind.

I kept exploding around his cock and his balls were wet through. I heard him groan and knew he was ready for cumming which made me cum and squirt some more. After a few minutes I felt him cum. He then took his cock out my wet pussy and put his

fingers in and brought me off again.

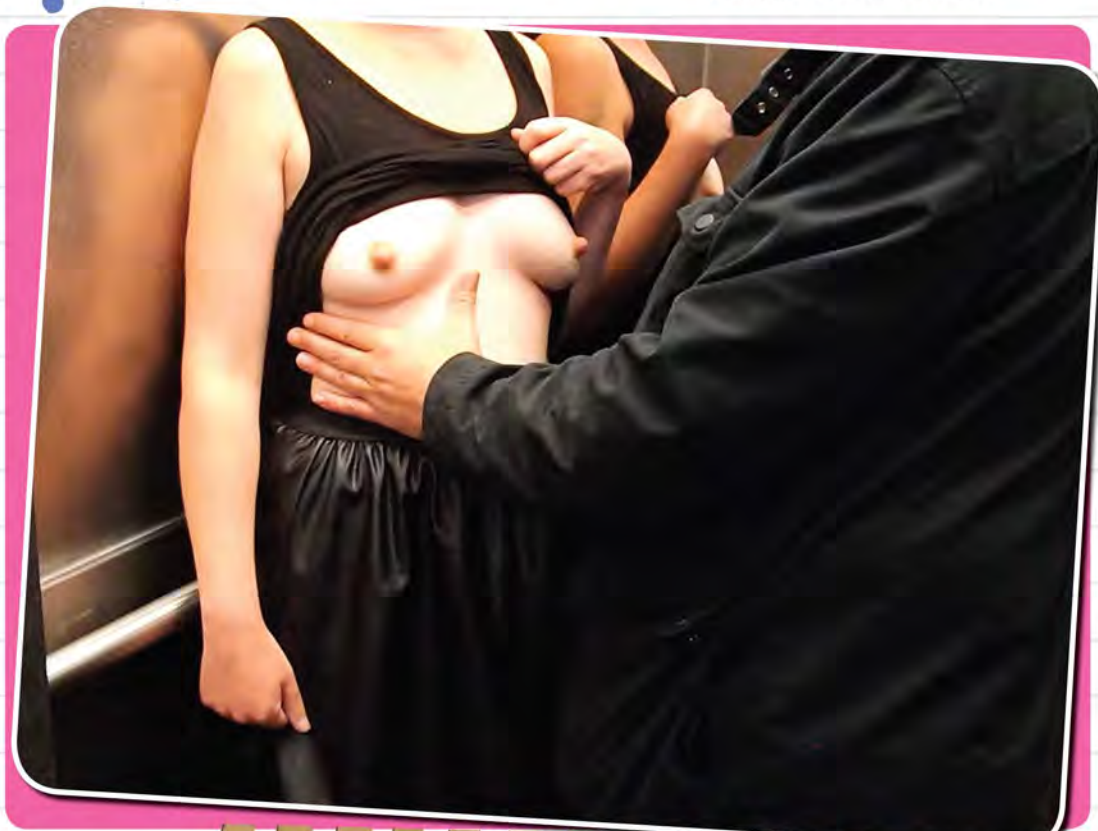

I'd totally forgot about Jay being there until I heard him say, "I got some really good pics of that!" I was still very horny and my head was spinning!

Jay asked if I was ready to leave so I said yes and off we went. Whilst driving Jay

"I WANTED TO GIVE HIS COCK A GOOD SUCK, SO I DID AND KEPT PAUSING AT THE END OF HIS SHAFT."

asked if I wanted to do some naughty pics in a shopping centre carpark plus lifts for Nick as a extra surprise so without even thinking about it I said "Yes, why not!?"

When we got to the shopping centre there were a few people about having a smoke and drink so we

decided to go straight to the lift. After Jay and I stepped into the lift and he'd took a few pics I grabbed his cock and then got on my knees and started sucking him off. He then told me to stand up so I did as I was told.

He then dropped to his knees and started fingering my pussy then licking and tugging at it, it was driving me over the edge and before I knew it I was wet through, as was the lift floor. I was squirting everywhere! After a few minutes I was ready for fucking Jay but then the lift started moving – I couldn't believe it! Jay and I had just about managed to cover ourselves up just as the door opened and a young couple were waiting to get in. They gave us both a right look of disgust so we decided to get out and walk back to the car. We were both still really turned-on and had a bit of a fumble in the carpark but I was getting cold so I said to Jay, "Let's go, I'll fuck you when I get home!" Once we got back I started telling Nick what I'd done but then Jay interrupted and told him that I'd said I was fucking him now I was home! So I said, "Come on then, I'm going to fuck you both!" So I took them both on at the same time - a cock in my mouth and a cock in my pussy, swapping once so I could taste and feel them both!
